

MARION COUNTY MRDD 2008 ANNUAL REPORT

A Message From The Superintendent

Greetings:

Well, by now you have noticed that we've taken a little different approach to this year's annual report. Rather than a traditional report, we elected to create a publication that celebrates the rich heritage of the Marion County Board of Mental Retardation and Developmental Disabilities.

Too often, we become so focused on the future that we forget to recognize those who paved the path on which we walk. That is the purpose of this publication. Without the efforts of these people, Marion County MRDD would not be the respected entity that it is today.

This publication is a tip of the hat and a sincere thank-you to all of the citizens of

Marion County who for more than 40 years have believed in our mission, donated their time and supported our levies.

On behalf of all the employees at Marion County MRDD, I want to extend a personal thanks to these pioneers. We are a better organization today because of your efforts.

I hope you enjoy the read.

Sincerely yours,

Lee Wedemeyer
Superintendent
